

Meet Your Department proudly presents...

Josh O'Bannon

Sgt. Josh O'Bannon has been with Millbrook Fire since November of 2006 working as a firefighter-paramedic. He also works full time for Haynes Ambulance pulling double duty as an ambulance medic and a Haynes Life Flight medic.

During his time with Millbrook Fire Josh O'Bannon has been promoted to Sergeant, is responsible for ordering medical supplies, and his family has become a wonderful addition to the Millbrook Fire Family.

Josh and his delightful wife Sam, along with Tucker 12, Emma 6 and Stryker 2, just welcomed the newest edition to their family, the incredibly adorable Asher Phoenix, this past January.

Josh is described as a devoted, easy-going and friendly person. He's the type of guy that doesn't fold under pressure and gets great enjoyment out of his career. Thank you for your dedication and service to the Millbrook Fire Department, Josh!
