

Meet Your Department proudly presents...

James Hollingsworth IV

James Hollingsworth IV has been volunteering for Millbrook Fire since January of 2009 as a firefighter and an AEMT. He also works full-time as the Hyperbaric Safety Director at Jackson Wound Center.

AEMT Hollingsworth grew up in the Millbrook area. He graduated from Stanhope in 2008 and says he enjoys being able to serve this amazing community. He hopes to one day be a career firefighter, maybe even with Millbrook!

James and his ambitious wife Kat, a nurse and paramedic have been together for 4 yrs. Their home is full of the laughter and love of three kids: Gabriel (18), Katie (16) and James Hollingsworth V (10 mths), adorably referred to as Quint.

James enjoys working on old mustangs and arm wrestling. He's described as a hard-working, funny, family-man that will always come to your aide. Thank you for all you do for the Millbrook Fire Dept, James!
