

Meet Your Department proudly presents...

April Ballard

AMA April Ballard has volunteered with Millbrook Fire since October of 2014. She has worked as a dispatcher for 11 years and currently dispatches full-time for the Elmore County Sheriff's Office.

April's devotion to the Millbrook Fire Dept is a family affair. Her father served the department for 15 years and held every position except Chief. He was also Millbrook's first paramedic. Pictured below is April and her father during a training exercise for the department in the early 1980s.

April and her boyfriend, Will, have spent the last two years happier than ever together. She has three children: Morgan, 19, is set to graduate from a Medical Assistant program, Tristan, 17, is a sophomore on the Varsity Baseball team and Ashley, 15, is a freshman on the Varsity Soccer team at SEHS.

April is described as sweet, charismatic, and bubbly. She's the type of person that can quickly turn your difficult day into one full of laughter. Thank you for your service and dedication to the Millbrook Fire Department April!
